

RIGA STATE GYMNASIUM No.1

Mission Statement

Riga State Gymnasium No. 1 is an educational establishment committed to the highest standards both in teaching and learning thus offering the best possible education so that every student can develop into a self-aware, responsible and promising citizen. This can be achieved by contributing to continuous learning experiences of our students and providing future oriented professional development of its staff.

Our mission statement in brief: Inspirational education for a worthwhile future.

Vision Statement

Our vision is to embrace inquiry-based learning so as to create compassionate and internationally-minded individuals, who are positive change makers of the world.
